Prayers

We have been asked to pray for many intentions recently. Included in these requests are prayers for healing of family and friends and for those who have recently died. Please help our community with your prayers for healing and hope.

Specifically, at our campus, Mrs. Martin has been struggling with procedures due to her breast cancer. She underwent a lumpectomy in summer. She later learned that an additional procedure would be required. After recently having a second lumpectomy, she was informed that a mastectomy will be required.

October is Breast Cancer Awareness month and, Mrs. Martin is a symbol of the importance of this program. Please keep her in your prayers.

We also ask you to keep Mrs. Cummings in your prayers as she recovers from surgery to correct the cause of her previous illness.

Attention All Volunteers – Safeguarding All God's Family Requirement

In addition to the "Safeguarding" session, all volunteers must authorize a criminal background check and submit the signed acknowledgement form for our files, that you have read *The Code of Ethical Standards for Church Leaders* and *The Mandatory Reporting Guidelines*. If you did not receive these publications at the "Safeguarding" class, these forms are also available in the school office. Be aware that we are required to have the background check repeated every 5 years.
