Talent Show Wow!!!

Waukesha Catholic Middle School has talent and boy do we know it now! We had a WOW performance of various talents our students have and were willing to share with us last Sunday as we kicked off Catholic Schools Week. It was a great afternoon and we want to thank not only our talented students but also Mrs. Gygax, Mrs. D'Amico and Mrs. Dunk for their help. Without them, we couldn't have done it.

We would also like to thank the parents who were willing to drive students to and from Carroll on Friday for the rehearsal. Finally, a thank you to the 8th grade Print Shop class for their help in designing the program.

The food collected has been donated to the Waukesha Food Pantry.

Fat Tuesday/Mardi Gras Celebration

In ancient times Christians cleaned out their larders of all meat drippings, meats, etc on the Tuesday before Ash Wednesday to prepare themselves for Lent. That Tuesday was a day of celebration. We at St. Joseph campus of Waukesha Catholic will also celebrate and prepare for Lent with a Pancake breakfast for all students and later in the day have the Parent/Coach/Player /Faculty Basketball game.

The pancake breakfast will include pancakes, sausages, fruit, juice, milk or cereal for all students. We will begin serving at 8:45 in the gym. The plan is to have all students in their homerooms by 8:30 and start moving them through the food lines shortly thereafter. If your child needs some sustenance before that time please feel free to feed him/her something and then they can still enjoy the breakfast at school.

Help is needed and greatly appreciated. Please see the enclosed flyer in today's packet.

Palms/Ashes

St. Joseph Parish is producing ashes from last year's palms for our Ash Wednesday liturgy. If you have old palms that you would like to send to school, we will see that they are burned with those of the parish and used at our liturgy.

Living Stations

Once again our 6th grade students will present the Living Stations during the Lenten season. Mrs. Greil is in need of some parents to help stage the stations as well as help coordinate the presentation. If anyone is interested in helping with this program please contact Mrs. Greil, 896-2930 X 326. Thanks.
