Director's Message

I would like to welcome everyone to the new 2009-2010 school year. It was great to see you at all of the campus Parent Nights this past week. I am always encouraged by the large attendance and the active participation that you take in your children's education. I know the school year will be successful because of your commitment.

I hope you might consider some of the many opportunities to volunteer if you haven't already. The Waukesha Catholic School Board has committees that need new members. The committees are: Technology, Public Relations and Recruitment, Planning, Personnel, Finance or Advancement. If you are interested in any of these standing committees please return the flyer titled Waukesha Catholic School Committees found in this packet.

Respect, Responsibility and Reverence will continue to be our guiding values along with emphasis on our Catholic Faith and Academic Excellence. Thank you for believing in Waukesha Catholic and our mission to develop well educated, caring and confident individuals who lead Christ-centered lives and are inspired to build a better world.

God's blessing,
Carolyn Caruso

President Obama's Message to Students

Our president addressed the students of America today about the importance of working hard in school, setting their educational goals, and taking responsibility for their learning. It was not shown live in our classrooms. We encourage our parents to view it with their children and follow-up by answering any questions they might have.
