

End of the year SCRIP info

May 2010

- ❖ Tuesday, June 1 will be the last Scrip order for the 09-10 school year. Please have orders and payment into the school office by Tuesday, June 1 at 8:30 a.m.
- ❖ The month of May is always a great time to order extra Scrip to use during the summer and earn credit that will start working for you in the fall! Order a little extra each week.
- ❖ To earn a tuition credit you must have a minimum of \$30 in family credit or a total of \$60 in accumulated credit for **the entire school year**.
- ❖ To see your total Scrip credit for the year - look under the REPORTS tab on the www.shopwithscrip web site. (The Scrip credit is $\frac{1}{2}$ the total rebate amount.) This credit will then be applied to your statement in August for the 10-11 school year. Or it will be divided up in equal credits and be reflected in your monthly payment.
- ❖ If your youngest or only is graduating from 8th grade you may use the credit for some of the graduating expenses. This form will come out from St. Joseph. Please fill out the form after you pay for the graduating expenses and return the form for reimbursement.

Use SCRIP - It Pays!!
